UK-German Connection is a bilateral initiative, which has been established and developed in collaboration between the UK and German governments, British Council and Pädagogischer Austauschdienst.

Opportunities for Students of German

Trips and Programmes

German Scholarships Programme

The fully-funded **Preisträgerprogramm** is a fantastic opportunity for students in their penultimate school year to explore Germany as part of a group. This four-week programme normally takes place in July, with a deadline in early March.

Get involved

UK-German Youth Ambassadors

A network of motivated young people in the UK and Germany who are passionate about the other country and keen to promote UK-German activities and encourage more young people to get involved. Youth Ambassadors in the UK organise their own projects to enthuse others about the German language and culture. The deadline is usually in September.
